---

Does anyone know where there are interesting websites with interesting, unique shoes. I collect them and am looking to add to my collection. Thanks. Sue

Does anyone know where there are interesting websites with interesting, unique shoes. I collect them and am looking to add to my collection. Thanks. Sue Unfortunately I can't help you, because I was looking for such sites myself, but without the right luck. So may be you could give me some hint out of your collection. Thanks.
