Heck, you can get new Giordana 8-panel shorts with the anti-bacterial chamois for \$20 at Long's Cycle Supply (<http://www.longscycle.com>). I've used them a couple of times and have been very pleased with their quality and service. Mike Well sure you canbe there not the pro coolmax there best short! Just like Pearl Izumi makes shorts from \$40 to \$75 shorts....there is a difference!
