2nd: We are searching for books related to chins. As we're leaving in Belgium, we're searching for french ones, or, more specifically, french language ones. I have no problems with France or Canada :-)! Bonjour Reichert, Have you seen the list on ChinNet. at <http://www.chin.buffnet.net> ? Though it does not list many French books, at least it should be able to get you started. Please note that some of the books are available in some parts of the world, while they are sold out in the other. This depends on your local distributor. If you don't have WWW access, you can mail me and i'll email it to you. Rene
