## how to back up emails how to back up emails in oe5?

Posted by HHird - 2008/05/13 18:54

---

Hello. I have many useful emails store @ my oe5 inbox AND sendbox, but recently my pc seems like having some problems that I'm worried it'll be dead anytime. CAN ANYONE BE NICE TO TELL ME how to back up those emails to my zipdisk (not using copy & paste)?? Or can somebody tells me where can I find the file that oe5's mails are stored in? THANK YOU VERY VERY MUCH IN ADVANCE.
